

The Cooper Clayton smoking cessation program provides 13 weekly, one-hour sessions that include education, skills training, group support, and nicotine replacement therapy (NRT).

Participants use NRT for 10 weeks; all 10 weeks are provided FREE. NRT will be dispensed on a week-to-week basis by the class facilitator. NRT approved for these classes are Nicoderm CQ patches, Nicorette Gum or Nicorette Lozenges.\*

**A 13 week series will begin on  
Tuesday, October 8, 2012 from 5:00 - 6:00 pm at  
Bates Community Development Corporation  
1228 S. Jackson St.  
Louisville, KY 40203**

For more information or to register for this FREE series, please call 574-STOP (7867).

\*Women who are pregnant or nursing and tobacco users under the age of 18 are not eligible for nicotine replacement therapy.
